PROFILE

I'm a passionate Web Developer and climate advocate dedicated to using technology to create positive impact. With a strong foundation in front-end development and a growing focus on building clean, responsive, and user-friendly websites, I combine creativity with purpose. My work reflects a commitment to innovation, sustainability, and continuous learning in tech.

WORK EXPERIENCES

FRONTEND DEVELOPER (SELF-INITIATED PROJECTS)
Jan 2024 – Present

- Built and designed responsive web pages using HTML, CSS, JavaScript, and React.
- Created a personal portfolio website to showcase projects and learning journey.
- Improved user interfaces with modern layouts and accessibility in mind.

FRONT-END DEVELOPER INTERN
Clever Tech Hub
January 2024- July 2024

- Supported a development team in building user interfaces and improving website functionality.
- Worked closely with other team members to resolve technical issues and improve site performance.
- Gained experience in debugging, testing, and ensuring websites were responsive and user-friendly.

CLIMATE ADVOCATE & CONTENT CREATOR
Apr 2025 – Till date

- Shared a 30-day series on climate and leadership, engaging professionals on sustainability.
- Built visibility through consistent storytelling and thought leadership on LinkedIn.
- Promoted awareness of digital sustainability and green innovation.
